

Shortlisting Criteria for JRB (MTech in Robotics) at IIT Delhi (2026-27 1st Semester)

The following shortlisting criteria for JRB admission were decided by the JRB PEC.

I. First shortlisting criterion¹

a. Full-time MTech candidates:

#	Category	GATE Score
1	General/EWS	700
2	OBC	650
3	SC	520
4	ST	400
5	PwD	400

b. Sponsored (full-time) and Part-time MTech candidates²:

#	Category	Percentage/GPA
1	General/EWS	70 / (7.0)
2	OBC	70 / (7.0)
3	SC	65 / (6.5)
4	ST	65 / (6.5)
5	PwD	65 / (6.5)

c. IIT/CFTI candidates with a B.Tech./B.E. (or equivalent engineering degree) with a CGPA ≥ 8.0 are also shortlisted.

II. Shortlisted candidates (as per I) will be required to pass a Programming Aptitude Test (PAT) to be eligible for the interview stage.

III. Final selection will be based on GATE score (wherever applicable), PAT performance, and interview.

Qualifying GATE Disciplines: Computer Science (CS), Electrical Engineering (EE), Electronics & Communication Engineering (EC), Instrumentation Engineering (IN), Aerospace Engineering (AE), Mechanical Engineering (ME), Production and Industrial Engineering (PI), Data Science and Artificial Intelligence (DA), Engineering Sciences (XE).

Note for XE Candidates: Candidates qualifying through GATE in Engineering Sciences (XE) will be considered only if their qualifying degree is in a relevant discipline (e.g., CS, EE, EC, IN, ME, AE). Closely related disciplines may be considered at the discretion of the admissions committee.

¹The institute's minimum admission requirements are detailed in the PG admissions information brochure.

²For minimum experience requirements, refer to the PG admissions information brochure. Shortlisted part-time candidates must submit a No Objection Certificate (NOC) from their employer in the prescribed format (available on the PG admissions information brochure); eligibility for the written test and interview is contingent on NOC verification.
